### CARNEGIE LIBRARY BUILDING CONTRACT.

It is Let to William Newman, the Napa Contractor, For the Sum of \$6,645

At a special meeting of the City Trustees held last Wednesday evening the contract for the erection of the new Carnegie Library building was let to Wm. Newman, the contractor and builder of Napa, for \$6,645. His bid was by far the lowest.

There will be considerable red tape business to be attended to by the City Trustees before contractor Newman will be enabled to commence work on the building. The Trustees for one thing must make a sworn affidavit to be submitted to Mr. Carnegie that the necessary funds to pay for the building are in their hands. This and some minor details will cause some delay, but it is expected the way will be clear for the contractor to commence laying the foundation for the building some time in September.

### Representative of Chico Nurseries in Town

C. O. Searcy of Napa, representing the Chico Nursery Co., Inc., one of the oldest and most reliable nurseries in the state, was in town Wednesday in the interest of his company in this valley. This nursery, which is the successor of the Gen. Bidwell nursery at Chico, noted for its clean stock, consisting of almost every known variety of fruit and ornamental trees, vines, berries, shrubbery and flowers, has gained a reputation among orchardists and vineyardists everywhere for the reliability of its stock. C. O. Searcy of Napa, its representative in this valley, will receive orders and make prompt deliveries to the farmers. See advertisement in another column.

### Bonds of San Luis School District Carry

The recent election held in San Luis School district to vote a bonded indebtedness of \$350 for repairing the school house carried without one dissenting vote. It has always been claimed that the people of San Luis district were the most enterprising and public spirited in the valley and the recent bond election proved it. The Trustees of the district are Messrs. Frederick Helberg, Jos. Kiser and Fred C. Schell.

### The Old Horses Will Parade Tonight.

### ALL HAIL TO THE WOMAN'S CLUB.

Its Enterprising Members Come to the Rescue of the Carnegie Library Building Fund and Insure its Construction

Owing to lack of funds the fate of Sonoma's projected Carnegie library building has been held in the balance the past two weeks.

The City Trustees, having but \$6000 at their disposal to accept contractor's Newman's bid of \$6897 for the completion of the building were in a quandary as how to proceed, as the law does not permit them to accept a bid in excess of the amount of cash on hand available for that purpose, and for the time being the whole business was up in the air.

This condition of affairs having been called to the attention of the Sonoma Valley Woman's Club, its members at a special meeting, held on Friday of last week, unanimously and with a generosity worthy of mention in great type contributed the sum of \$894 toward making up the deficiency. Of this money \$150 had been set apart by the club women for improving the plaza and the balance for equipping the new Carnegie Library building when completed and ready for occupancy, and represented almost all the funds at their disposal.

This generosity on the part of the club women has enabled the City Trustees to close the contract for the erection of the building and it is now an assured fact.

Therefore we say, all hail to the energetic and public spirited club women of Sonoma, who have proven their good citizenship and enterprise on more than one occasion the past few years. Ladies, we doff our hat to you.

### Wheaton Family Deported.

The Wheaton family, consisting of six children and their mother and father, who came to this city from Napa county several months ago, have been deported to the northern part of the county. County Probation Officer Plover's attention having been called to the family, which were eking out a miserable existence here, and one day last week he caused the family to be removed to Santa Rosa as public charges and as such, homes will be provided for the children. Less than two weeks ago, notwithstanding their extreme poverty, twin babies were born to the Wheatons. This was too much for their neighbors, who had been supporting the family and a halt was called by evoking the aid of Probation Officer Plover.

### The Moose Picnic a Big Success.

### MAY BE HOPELESS CRIPPLE FOR LIFE

Lineman of the California Telephone and Light Company Badly Injured.

J. E. Timpson, a lineman employed by the California Telephone and Light Company met with a serious accident in the Los Guilcos Valley last Tuesday morning. The company, which is engaged in extending its line in the upper part of the valley, has had a force of men at work on the job for several weeks. Among these was Timpson, a comparatively new hand, who essayed to climb a tall tree for the purpose of trimming its branches. While engaged in the work, the bark of the tree gave way, precipitating him to the ground, a distance of thirty feet. He struck on his back and his lower limbs were paralyzed. No bones were broken and at this writing the real extent of his injuries cannot be determined to a certainty as he may yet recover the full use of his partially paralyzed limbs.

The man was put on board of a Southern Pacific train and taken to the Mary Jesse Hospital, Santa Rosa, for treatment.

### Sonoma Public Library Board Meets and Re-organizes

At a meeting of the Board of Trustees of the Sonoma Public Library, held last Saturday, the members were all present as follows: Mrs. Martha Stearns, Mrs. R. J. Keogh, Miss Katie McDouell and Messrs. Jesse Prestwood and R. H. Platt.

The election of a presiding officer and secretary for another year being in order, Jesse Prestwood was unanimously elected President and R. H. Platt Secretary.

The next regular meeting of the Library Board will be held on September 10th.

### More New Comers

E. H. Johannsen, owner of the old Burris ranch in the southeastern part of the valley a few miles from town, has sold two parcels of land off his big holding to two new settlers. John E. Oberg of San Francisco has bought a twelve-acre tract and Sven J. Johnson of Alameda five acres. [The new owners will commence to improve their little farms this fall. The former will commence the erection of a new cottage and outbuildings at once.]

B. F. Pinder, Jack Gottenberg and H. H. Grancie autoed to San Francisco last Saturday morning, returning home via Vallejo the same day. The return trip was made by way of the latter city, as thirty-two autos were lined up before them for Sausalito and as the boat could only accommodate four autos each trip it was a case of returning home by way of Vallejo or remaining all night in the metropolis.

The garden party given by Mrs. M. R. Taylor on her beautiful "La Lomita" residence grounds Saturday evening for the benefit of St. Francis Church, was largely attended, and was both a social and financial success. The spacious residence grounds were brilliantly lighted and were converted into a veritable fairyland. Both Father Comerford, the popular pastor of St. Francis church, and Mrs. Taylor, the generous hostess, received many congratulations on the success of the party.

## Governor Johnson and the Unfortunate Inmates of the Napa Insane Asylum.

The expose made by the San Francisco Call of the conduct of the Napa State Insane Asylum under the management of Governor Hiram Johnson's much-lauded "reform" administration and his political machine programmers, is a harrowing tale of starvation and cruelty that makes one's blood boil.

In order to make a record for economy, the despicable creatures who have been put in charge of the institution to make places for the political henchmen of our truly good and great reform Governor, have been virtually starving their poor, unfortunate, demented charges. There can be no further doubt of the truth of the "Call's" assertions as they are now backed up by the sworn affidavits of a number of reputable citizens of Napa county and ex-employees at the institution.

If our memory serves us aright it was this same Hiram W. Johnson, who just previous to his election as the Governor of the State, was accused of accepting a "fee" from Dalzell Brown, the bank wrecker, while supposed to be assisting the graft prosecution in cleaning up San Francisco, and who justified his act by exclaiming, "a man's got to eat, hasn't he?"

But by all that is holy why has he not applied that principle to the helpless and demented creatures housed under his guiding hand at the Napa Asylum for the Insane? Verily, our Governor is as cruel as he is insincere in his reform professions.

## Sonoma Boosters Invade

### Santa Rosa on Thursday.

[Santa Rosa Press Democrat.]

Be it known that in the historic town of Sonoma on September 6, 7, 8, 9, there will be held a "California Festival." That is the reason why Santa Rosa was visited Thursday afternoon by the "Sonoma Boosters." They came here for the purpose of arousing enthusiasm and to invite everybody to come to Sonoma on one or other of the days named and above all, to make Sonoma the place to spend the Ninth of September.

There were thirty-two garlanded and pennanted automobiles with the party from Sonoma. While the horns were tooting, the bells ringing and the band playing, the parade wound its way through the city, finally halting in front of the Court House on Exchange avenue, where the lady and gentlemen boosters alighted and distributed souvenirs and announcements telling of the coming California Festival in Sonoma, the proceeds from which will be a benefit for the Sonoma Valley Woman's Clubhouse Fund.

The club women have worked hard to make the coming California Festival a success in all details and their efforts are sure to be crowned with glory. The Sonoma club women are great entertainers.

An additional feature of interest, not included in the Woman's Club official program, will be the harness and running races at the track in Sonoma, under the auspices of the Sonoma Valley Driving Club.

E. Borzone, President of the San Francisco Fish Co., combined business with pleasure on Monday and Tuesday of this week and during his stay was the guest of John Batto.

Louis H. Green, one of Sonoma city's most respected citizens and a well known merchant, was a visitor on last Sunday to Batto's Spur and Vineburg. Every one was glad to see Louie.

Phillip Bill Sr. and Jos. Groskopf were visitors in the City of Roses on Sunday and during their stay inspected the County Farm. Joe says he was looking for a home for Jim Small.

Harry Kizer made a business trip to San Francisco on Sunday last and returned Monday morning. During his absence Mrs. Kizer officiated in his place to the satisfaction of all customers.

Mrs. Lewis DeLew and children, who have been enjoying their summer vacation at the home of Mrs. DeLew's mother, Mrs. J. H. Cotterell on the Hyde tract, returned to their home in the city Thursday.

John Murray, our up-to-date horse shoer, did some classy work last week when he put the shoes on such speedy young trotters as Rooney Dillon and Miss Rooney. Both horses were in charge of trainer James Sterling and when trained will be handled by Joe Ryan.

Harry Brandt, after sailing over the stormy main for the last seven months, has returned to this burg to visit his parents Mr. and Mrs. A. Brandt at his old home. He said he was going hunting. He looked like it, but I don't know whether he was after doves, robins or chippies.

Vineburg was a very busy place on Sunday last. A great many people visited the burg from the bay cities. One of the features of the day was a number of prominent citizens of Penningsville, led by our old friend Theodore Reibhl, were in town and were entertained by Enrico Forni at Pleasant Villa. They had their own music and had a swell time. Leave it to Ted.

## PIONEER FARMER PASSES AWAY

Antonio Bacigalupi, for Over Forty Years a Resident of Agua Caliente, Died at the Age of 86 years

Antonio Bacigalupi, an old time farmer of Sonoma Valley, passed away on his farm last Tuesday, at the ripe old age of 86 years.

The deceased leaves a large number of surviving relatives residing in this and other parts of the state.

The funeral took place Thursday from his late home, the funeral services being conducted in St. Francis church by Rev. Father Comerford. The interment was in the Catholic Cemetery.

**El Verano Leads Sonoma Valley**

BY BELLE BRANDON

El Verano has formed a new club known as the "Old Horses." These "Old Horses" are composed of men not under 35 years old, ranging from 35 to 65 years.

This club is the starting point to bring our young men into a position where they will be supported by El Verano proper without the aid or assistance of any outsiders in any athletic sports that they may see fit to spring on the public.

El Verano, perhaps, in some people's mind is a dead little burg, but if you are among those who think so, just take a few moments of spare time and step into our club room, and the writer will assure you that you will go away very much pleased and satisfied.

El Verano is not jealous in any way and has not been heard of, perhaps for some little time, but you will have to take your hat off now, and stop, look and listen. This "Old Horse" club is about to pull something over Sonoma Valley's eyes that will wake them all up. Just look for Sunday, Aug. 25th, even though you live fifty miles away.

It will pay you to be in El Verano on that day to see "The Old Horses" play the "Young Colts," better known as the El Verano Base Ball team. This, by no means, will be a dry, tiresome game. The game will start at 2:15 o'clock and just think, ladies are free after being able to vote. This game will be carried out in the most refined manner.

Lemonade and soft drinks will be sold on the grounds and the receipts of the game is to go to the "Young Colts."

Mayor M. E. Cummings will umpire the infield while our strong friend and pal, Deputy Sheriff Joe Ryan, will umpire the outfield. The manager, A. Block of the "Old Horses," along with Captain A. L. Hughes have promised the public his money's worth.

The writer is sure if you could see the "Old Horses" in practice you would say El Verano for my home, as nobody gets old there. The line up of officers is as follows: Chairman, James Baines; Secretary, A. L. Hughes, Ad Manager, Leo Baines; Manager Bill Lein, A. Block; Captain, A. L. Hughes; Committee on Buying, Tom Baines, A. Gate, Chas. Daniel Sr.; Veterinary Surgeon, A. W. Weaver. Mr. Weaver will take care of the old stoved up horses as they finish the home runs.

## Stimulant or Tonic?

Ayer's Sarsaparilla is not a stimulant. It does not make you feel better one day, then as bad as ever the next. There is not a drop of alcohol in it. Ayer's Sarsaparilla is a tonic. You have the steady, even gain that comes from such a medicine. Ask your doctor all about this. Trust him fully, and always do as he says. He knows.

Who makes the best liver pills? The J. C. Ayer Company, of Lowell, Mass. They have been making Ayer's Pills for over sixty years. If you have the slightest doubt about using these pills, ask your doctor. Ask him first, that's best. Made by the J. C. AYER CO., Lowell, Mass.

## HOT FLASHES.

Women in middle age often complain of hot flashes. They are at that stage of life when their delicate organism needs a tonic and helping-hand which only Dr. Pierce's Favorite Prescription can give them. Many women suffer needlessly from girlhood to womanhood and from womanhood to old age—with backache, dizziness or headache. A woman often becomes sleepless, nervous, "broken-down," irritable and feels tired from morning to night. When pains and aches rack the womanly system at frequent intervals, ask your neighbor about

## Doctor Pierce's Favorite Prescription.

Mrs. J. Imhof, of 321 S. Benton Street, Baltimore, Md., says: "I wrote you about nine months ago, telling you of my condition. I have a fine baby girl—she weighed nine pounds when born. She is my third child and the strongest of them all. My suffering was only for two hours. I took several bottles of 'Favorite Prescription' and one of Dr. Pierce's Smart-Weed. I never had a well day before I took your medicine. I was surprised how well I felt—could eat—was always hungry, and never had a sick stomach. The nurse who was with me said the medicine was wonderful. She intends to recommend it to all her suffering patients. Everybody is astonished at me because I only weighed 102 pounds before and now I weigh 135. I have had several ladies come to me and ask about Dr. Pierce's medicine. I am willing to recommend it to all who suffer and want help. If any want information I will be glad to give it."
